- ✓ Managing stress
- ✓ Not smoking

“PROTECT YOUR HEART TODAY FOR A BRIGHTER FUTURE.”

KEY INGREDIENTS

Nattokinase (Natto Extract)

Japan

Natto extract is derived from natto, a traditional Japanese food made from fermented soybeans.

It's known for its unique flavor, texture, and nutritional profile, particularly its health benefits.

Contains compounds like nattokinase, which is known for its potential cardiovascular benefits.

Benefits:

- Fibrinolytic Activity
- Enhancing Blood Flow
- Blood Pressure Regulation
- Anti-inflammatory properties
- Lipid Regulation

Vitis Vinifera (Grape vine)

Central Europe

Grape seed extract is derived from the seeds of grapes, particularly from Vitis vinifera.

Known for its potent antioxidant properties, thanks to its high concentration of proanthocyanidins.

Utilized in dietary supplements and skincare products for its potential health benefits.

Supports cardiovascular health, skin elasticity, and immune function, among other advantages.

Benefits:

- Potent Antioxidant Activity
- Cardiovascular Benefit
- Immune System Support
- Anti-Inflammatory Properties
