

## PRODUCT OVERVIEW

Proper nutrition, exercise, and care during childhood and adolescence support rapid bone growth. Genetics, diet, and physical activity play key roles in building a strong skeletal system.

## PRODUCT BENEFITS

- + Promotes Natural Growth Factors
- + Supports Bone Growth & Strength
- + Boosts Immunity & Antioxidant Protection
- + Encourages Healthy Eating Habits

## IMPORTANCE TO CHILD GROWTH

Child growth is a critical indicator of overall health and well-being. Proper growth ensures that children develop physically, mentally, and emotionally, setting the foundation for a healthy and productive life.

- + Physical Development
- + Cognitive and Brain Development
- + Emotional and Social Well-being
- + Prevention of Malnutrition and Diseases

YOUR PARTNER IN HEALTH AND WELLNESS

# KEY INGREDIENTS

## Aquamin-F® (Seaweed Calcium)

### North Atlantic

Aquamin-F® is a marine multi-mineral complex derived from the red algae species - Lithothamnion.

- ✓ Rich in calcium, magnesium, plus 72 other trace minerals.
- ✓ The seaweed is harvested from the mineral rich North Atlantic seabed.
- ✓ Preserving bone structure and strength.
- ✓ Inhibiting bone mineral density loss and facilitating bone mineralization.
- ✓ Reducing pain and stiffness from osteoarthritis.

## YGF-251® (Blend of Phlomis Umbrosa and Commelina Communis)

### South Korea

Natural herb compound extracted from 2 out of 51 natural herb medicine tested for effectiveness on increasing the production of IGF-1.

- ✓ Enhances IGF-1 production for muscle and tissue development.
- ✓ Contributes to bone length and density, reducing osteoporosis risk.
- ✓ Aids in muscle repair and growth post-exercise or injury.
- ✓ Contains anti-inflammatory properties that alleviate pain and support joint health.

## Wellmune® (Yeast Beta Glucan)

### USA

A natural, gluten-free ingredient, Wellmune® is used by food, beverage and supplement brands to create products with immune health benefits for people of all ages. Yeast Beta Glucan is a type of polysaccharide which contains natural yeast beta glucan which is 1,3 glucan and 1,6 glucan.

- ✓ Strengthens immune health.
- ✓ Enhances key immune function.
- ✓ Improves overall physical health.
- ✓ Maintains healthy energy level.
- ✓ Protects against the harmful effects of stress.

## CyanthOx™ (Sea Buckthorn Extract)

### Tibetan Plateau

CyanthOx™ water-soluble extract is a unique and rich combination of polyphenols, proanthocyanidins, bioflavonoids, which offer extensive natural health benefits.

Sea Buckthorn, one of the most potent antioxidant plants known, is rich in Proanthocyanidins, Flavonoids, and Polyphenols. Its antioxidant ability is 70X stronger than vitamin C.

## Vitamin D3

- ✓ It's a fat-soluble vitamin.
- ✓ Regulates the absorption of calcium and phosphorus.
- ✓ Important for normal growth and development of bones and teeth.
- ✓ Help increase muscle strength.
- ✓ Support the immune system by fighting off harmful bacteria and viruses.
