KEY INGREDIENTS

Physta® (Tongkat Ali Extract)

Malaysia

Patented, standardized ingredients that clinically proven to boost energy, enhance testosterone levels, and improve male vitality. Sourced from *Eurycoma longifolia* (Long Jack), it supports physical strength, sexual health, and stress management.

- ✓ Boosts energy, reduces fatigue.
- ✓ Enhances muscle mass and strength.
- ✓ Reduces cortisol, relieves stress.
- ✓ Improves gut health.
- ✓ Increases testosterone and libido.

Lepidium Meyenii (Maca Root Extract)

Maca Root Extract is a nutrient-rich superfood known for enhancing stamina, libido, and hormonal balance. Traditionally used in the Andes for centuries, it supports energy, mental clarity, and reproductive health.

- ✓ Rich in protein and nutrients.
- ✓ Improves libido and ED.
- ✓ Boosts energy and endurance
- ✓ Enhances brain function.
- ✓ Balances mood and hormones.

Nigella Sativa (Black Seed Extract)

Black Seed Extract (*Nigella sativa*) is a powerful natural antioxidant traditionally used for its immune-boosting and anti-inflammatory properties. It helps regulate cholesterol, blood sugar, and supports hormonal and reproductive health.

- ✓ Powerful antioxidant.
- ✓ Supports immune and heart health.
- ✓ Regulates blood sugar and cholesterol.
- ✓ Promotes liver health.
- ✓ Supports testosterone and reproductive health.
- ✓ Anti-inflammatory effects.
- ✓ Supports hormonal health.

Serenoa Repens (Saw Palmetto Extract)

Saw Palmetto Extract is a well-known herbal supplement traditionally used to support prostate health and urinary function. Rich in beneficial plant compounds, it helps maintain healthy testosterone levels, promotes hair health, and supports hormonal balance. It may help reduce symptoms of benign prostatic hyperplasia (BPH), support urinary health, and preserve testosterone levels by inhibiting DHT.

- ✓ Supports prostate health.
- ✓ Eases urinary issues.
- ✓ Maintains testosterone by inhibiting DHT.
- ✓ Enhances libido.
- ✓ May reduce hair loss.
