

JEN+CARE CREAM MIST

HYDRATING, SOOTHING & BRIGHTENING

STAR INGREDIENTS

**Plant Oil
Complex**

**Aloe Barbadensis
Leaf Juice**

**Inulin & Alpha-
glucan
oligosaccharide**

Rice Water

Beta Glucan

**Centella Asiatica
Leaf Extract**

PLANT OIL COMPLEX

Plant Oil Complex - a blend of Meadowfoam Seed Oil, Canola Oil, Sunflower Oil & Argan Oil.

Moisturizing Effect

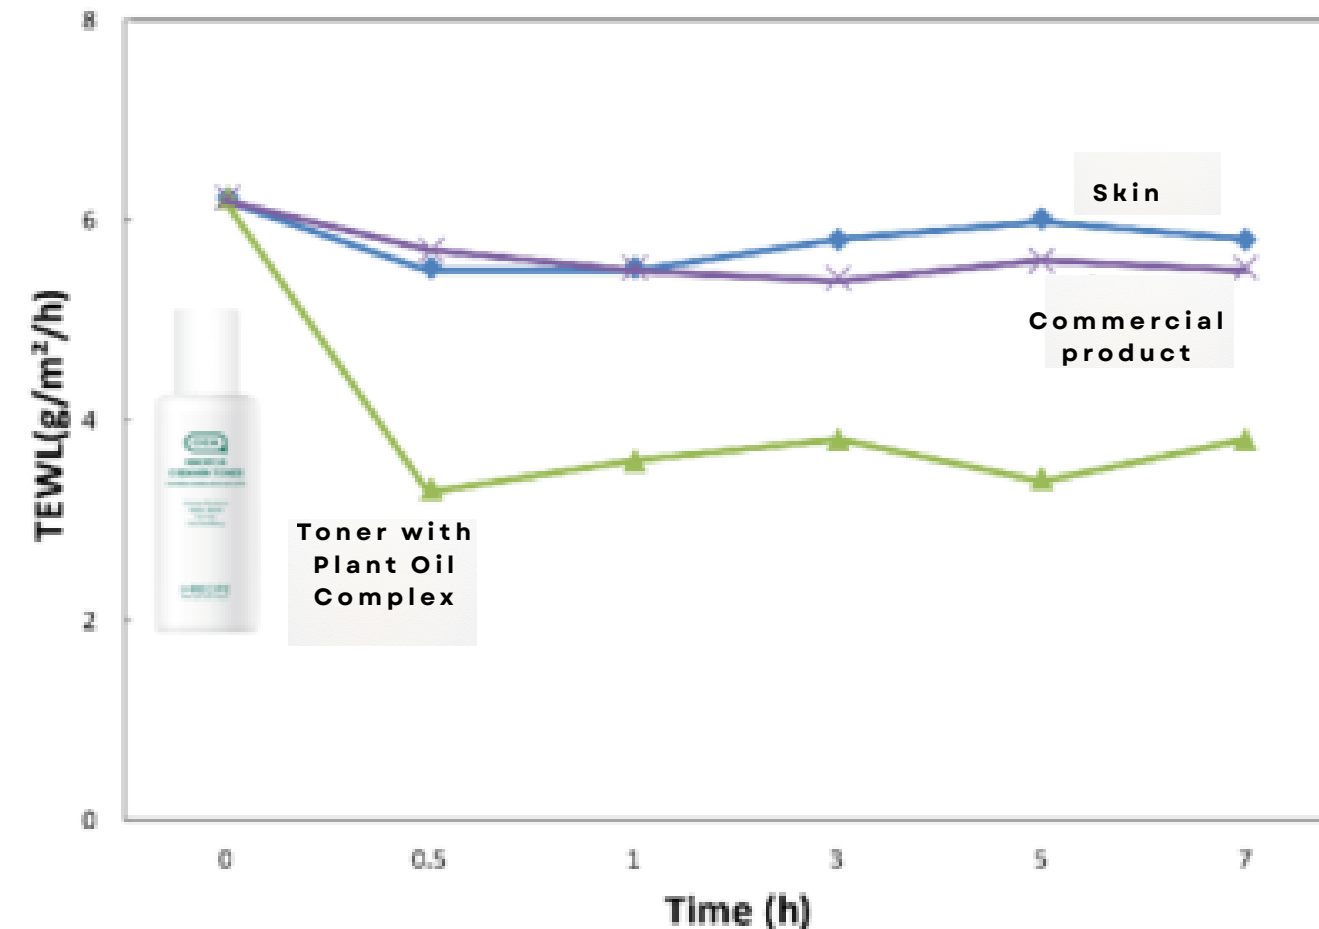

In vivo measurement of **TEWL**
(Transepidermal water loss)

Light
texture

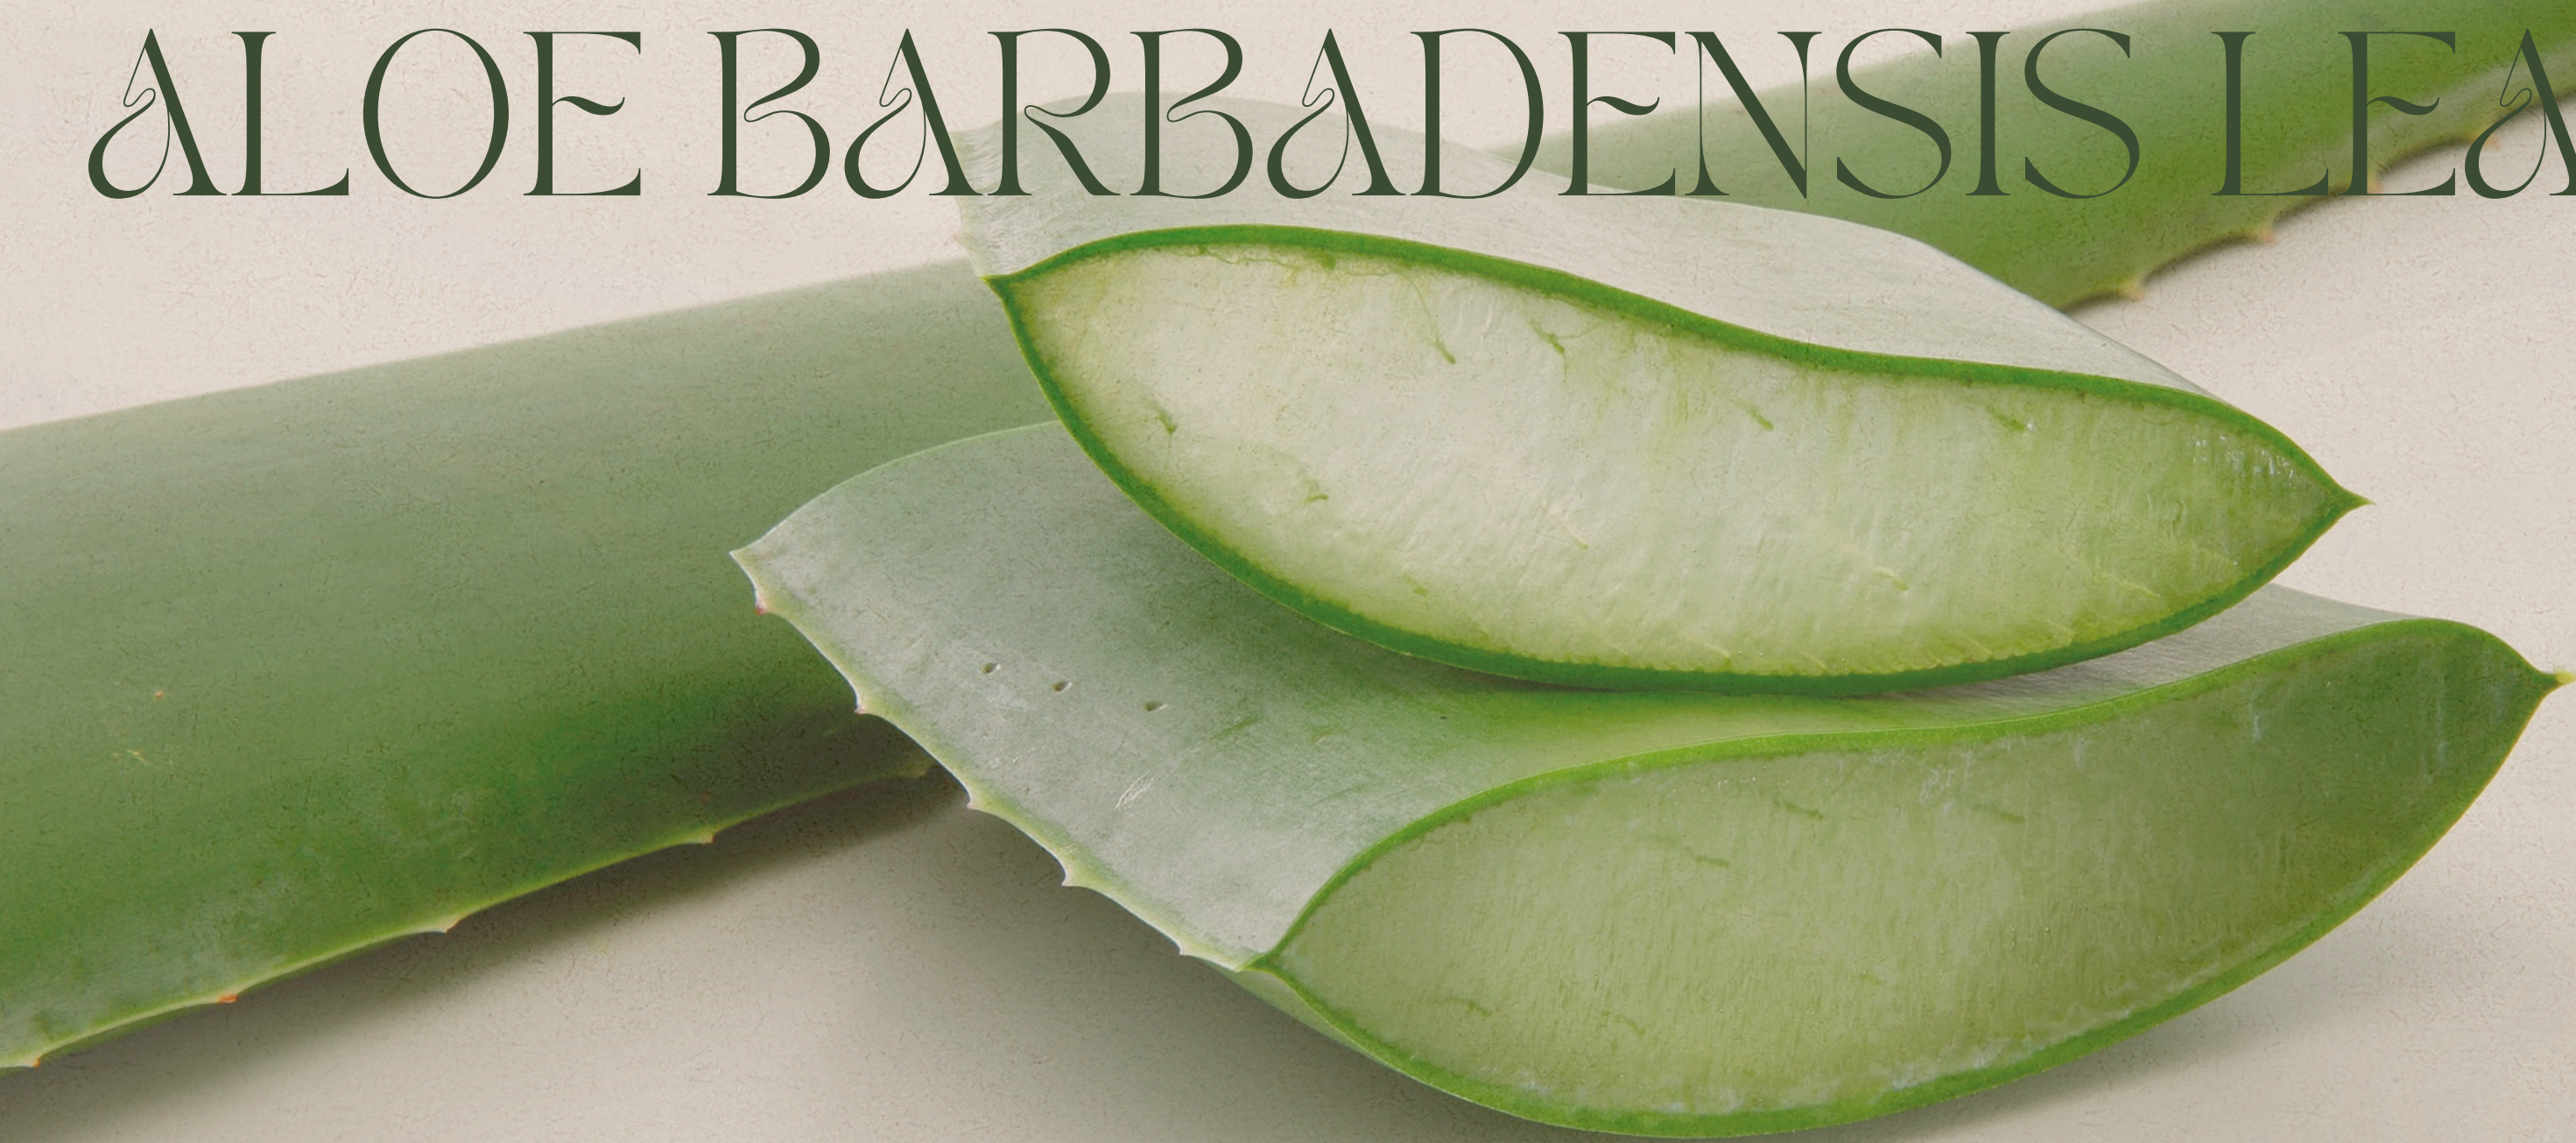

Nano-
emulsion
technology

Fast skin
penetration

Better
moisture
loss
prevention

ALOE BARBADENSIS LEAF JUICE

Aloe Vera helps to provide **soothing** effect on your skin, which is suitable for dry & sensitive skin.

It also provides deep **hydration** effect on your skin.

INULIN & ALPHA-GLUCAN OLIGOSACCHARIDE

**Natural
prebiotics**

Chicory Root - where
Inulin is obtained via
Hot Extraction

Sugar Beet - where
**Alpha-Glucan
Oligosaccharide** is
obtained via
**enzymatic
polymerization of
Sucrose**

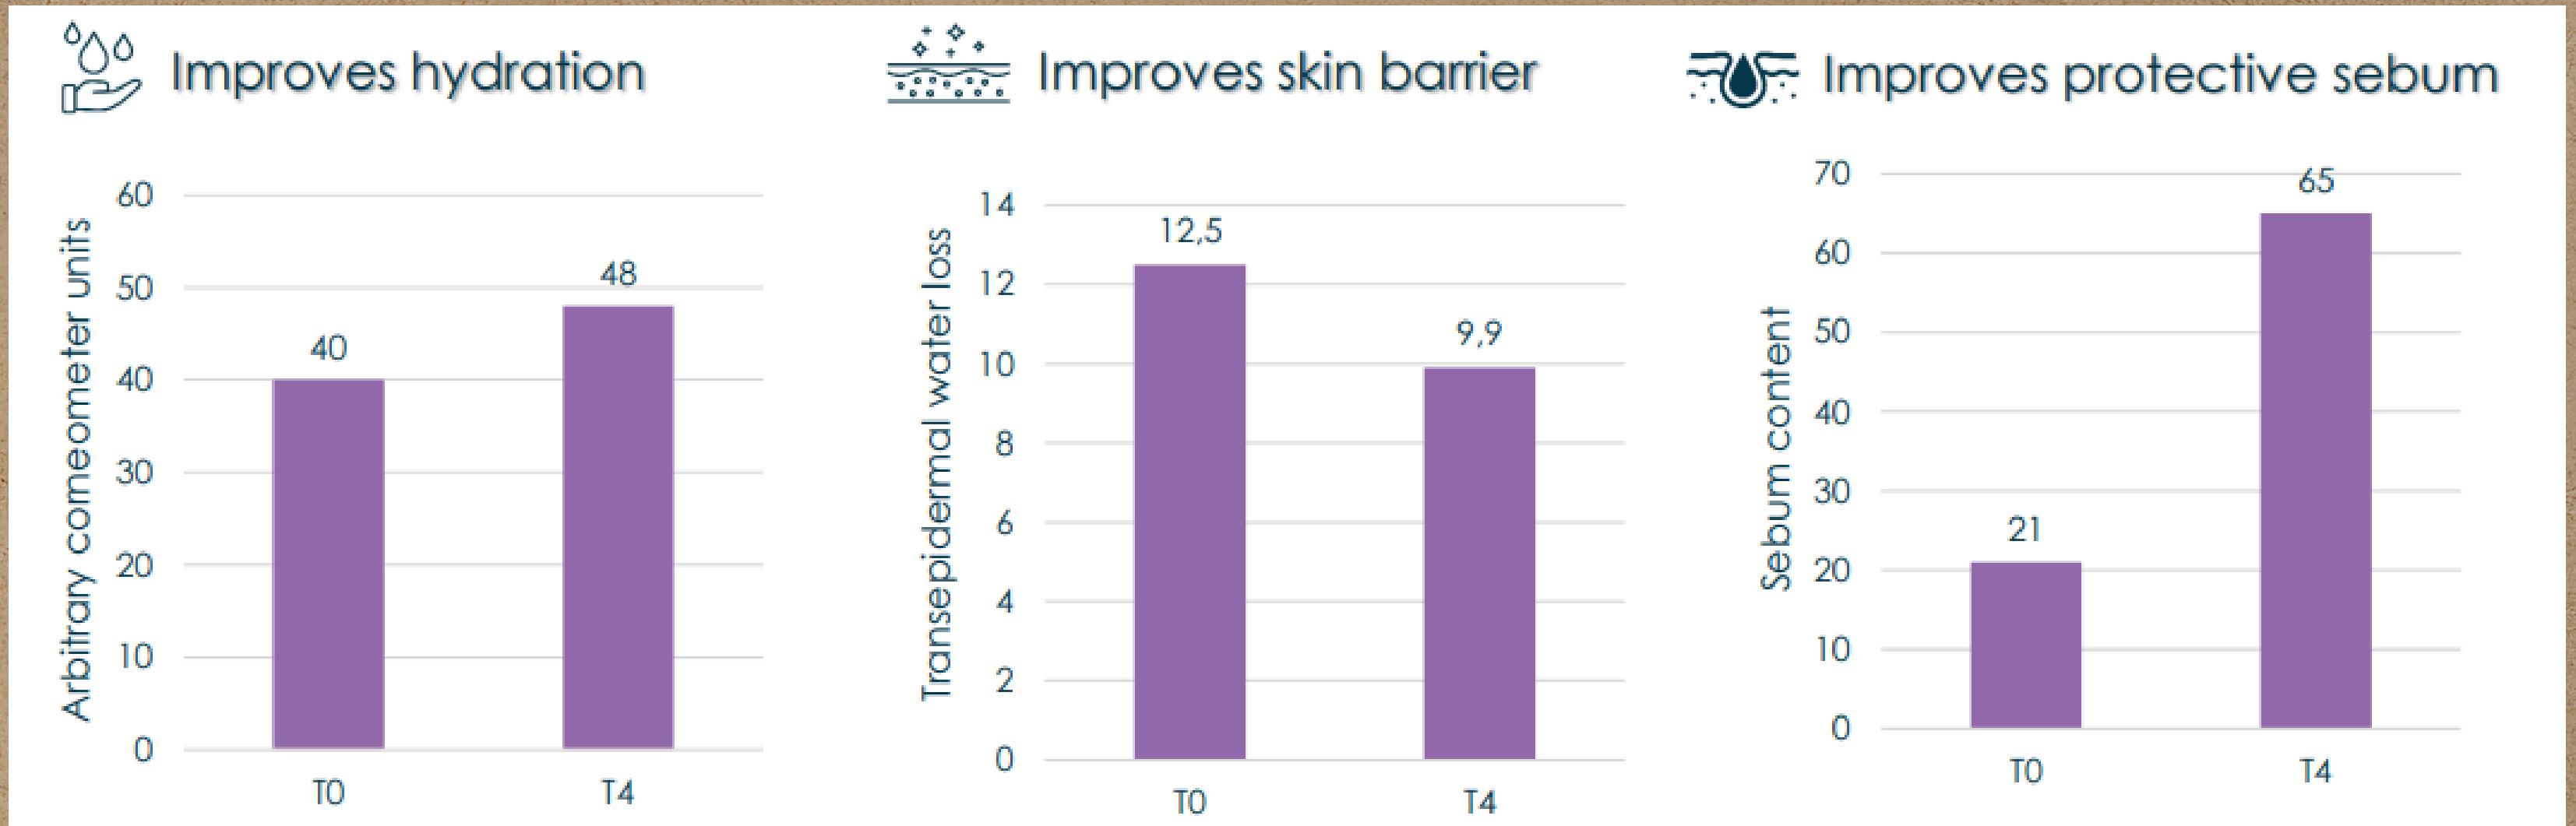

Wheat - where
**Alpha-Glucan
Oligosaccharide** is
obtained via
**enzymatic
polymerization of
Maltose**

KEY FUNCTIONS OF SKIN PREBIOTICS

Diabetic skin problems: Glycation, Disturbed skin microbiome, Dry Skin, Itching, Skin infections ...

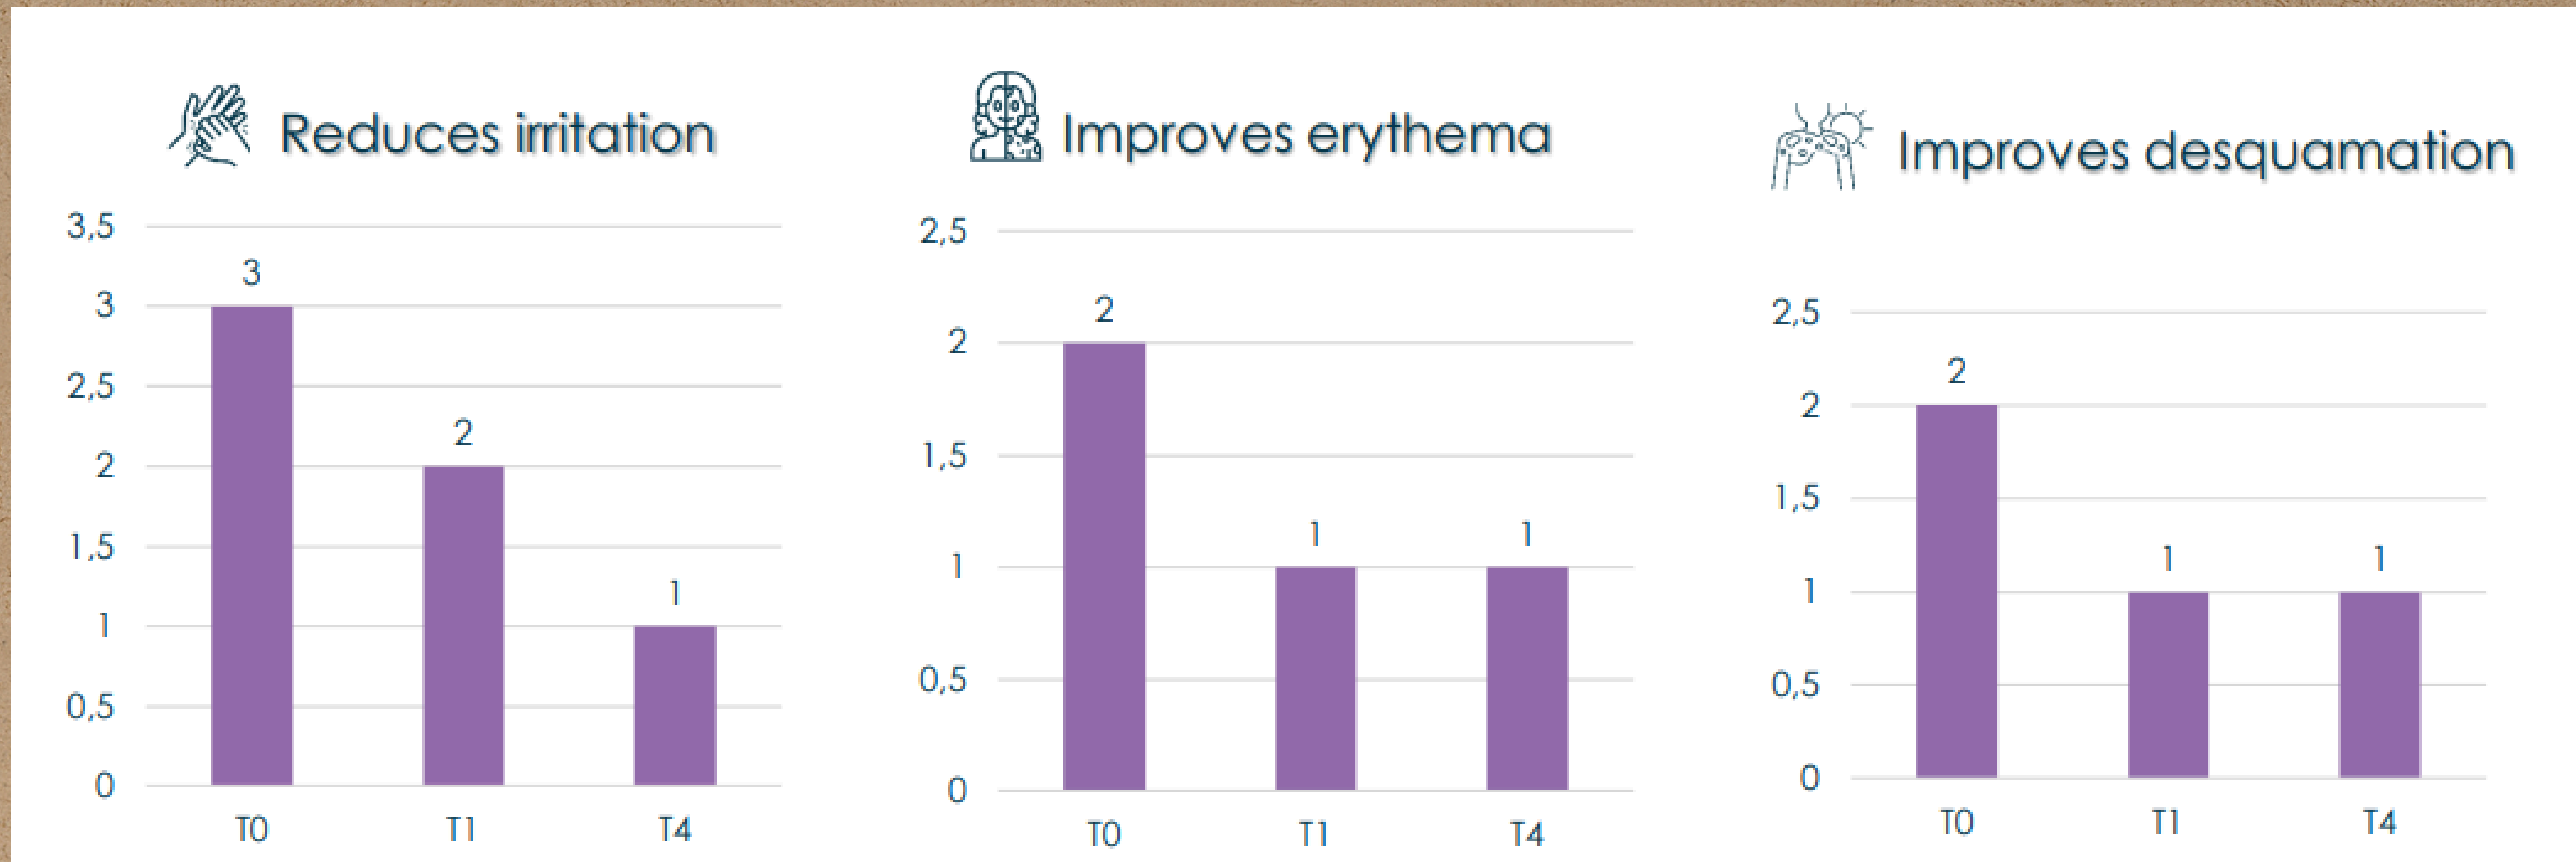

Clinical efficacy on diabetic skin care:

Clinical efficacy on diabetic skin care:

BETA GLUCAN

Proteoglycan which is derived from mushroom through fermentation process.

It has better skin moisturizing effect than Hyaluronic Acid, and it protects our skin from external oxidative stress.

● Anti-Skin Irritation effect (In vivo test)

● Skin moisturizing effects

Corneometer Result

	Dry Contents (%)	Skin moisturizing Index		
		Before	120min After	Δ Index
Negative Control	Distillated Water	34.76 ± 6.5	30.93 ± 3.2	- 3.83 ± 6.4
Positive Control	Hyaluronic acid (1%)	32.73 ± 5.3	35.88 ± 3.6	3.15 ± 2.4
Test material	Beta Glucan (1%)	39.64 ± 8.1	47.71 ± 4.5	8.07 ± 3.1

Tewameter Result

	Dry Contents (%)	TEWL(trans epidermal water loss) (g/h/cm ²)		
		Before	120min After	Δ Index
Negative Control	Distillated Water	7.30 ± 2.1	7.38 ± 7.7	0.08 ± 1.4
Positive Control	Hyaluronic acid (1%)	7.70 ± 2.9	5.20 ± 1.6	- 2.56 ± 0.4
Test material	Beta Glucan (1%)	7.50 ± 5.2	4.10 ± 1.2	- 3.40 ± 2.1

RICE WATER

Key Benefits

Rich in Vitamins & Minerals to **enhance skin hydration & water retention** properties.

Contains natural enzymes & AHAs that gently exfoliate the skin, resulting in a more **brighter skin tone**.

Ferulic acid & Phytic acid in the rice water help to provide **soothing** effect on the skin, which is beneficial for sensitive skin.

Centella Asiatica Leaf Extract

Centella Asiatica is also known as Gotu Kola, is one of the most wide-spread Ayurvedic herbs, especially for its wound healing properties.

Asiatic Acid, Madecassic Acid, Asiaticoside & Madecassoside are the beneficial active compounds for skin.

Main cosmetic properties:

- **Anti-inflammatory**
- **Soothing**
- **Moisturizing**
- **Anti-oxidant**
- **Anti-bacterial**

5 FUNCTIONS IN 1 BOTTLE

Moisturizing

Aloe Barbadensis Leaf Juice, Plant Oil Complex, Beta Glucan, Inulin, Alpha-Glucan Oligosaccharide, Rice Water

Soothing

Aloe Barbadensis Leaf Juice, Centella Asiatica Leaf Extract, Beta Glucan, Inulin & Alpha-Glucan Oligosaccharide, Rice Water

Prebiotic Effect

Inulin & Alpha-Glucan Oligosaccharide

Brightening

Rice Water

Anti-oxidant

Plant Oil Complex, Rice Water

Light-weight, fast
absorbing milky
texture

Skin nourishment
without feeling
heavy or sticky

THANK YOU
